Arts, Media, & Entertainment (AME) and Media Arts Workshop

We are excited to bring an engaging opportunity for teachers and industry partners to connect and create partnerships to support Media Arts and AME/CTE standards at local K-12 schools. Join us at our workshops as we discover the different ways VAPA and CTE intersect with Arts, Media, and Entertainment.

September 24, 2019 Workshop for TEACHERS

This event will highlight the professional learning opportunities available in the region and online resources to support Media Arts standards and AME/CTE standards.

January 14, 2020 Workshop for INDUSTRY PARTNERS

This event will focus on connecting AME/CTE programming at local schools to discuss partnerships, internships, work-based learning, and career pathways.

April 21, 2020 AME Forum for TEACHERS and INDUSTRY PARTNERS

Teachers and industry partners will come together to highlight outstanding work in the region, share model programs, and provide input on AME and Media Arts in the county.
